- Save your design files for entries in case higher quality resolution files are requested for judging purposes.
- Consider saving mascots in individual layers for promotional use. Example: A mascot is taken out of your composition to be placed in a collage of artwork of that specific mascot.
- The higher resolution the better. While not guaranteed, **submissions may be used in signage around the convention or even in the con guide**, low-resolution submissions may prevent your work from being used, even if you are not a top placement, your entry might still be used as described.

**A:** There are many many forms of art that will be accepted into this contest: Cosplay, Sculpture, Pixel Art, Crochet, Plushie, the only limit is your imagination.

- **Q:** Can I just redraw the Images with the same Poses that I see on the website and Facebook?  
**A:** No. We don't want redrawings of the Mascots that the Cosplay Director has already drawn...we want YOUR version of these Characters.
- **Q:** I draw chunky chibi types, can I submit chunky chibi type art even though the default art isn't like that?  
**A:** Yes we want YOUR style, whatever that style may be we would like to see our 2015 mascots in it!
- **Q:** I kind of draw in a similar style of the default images for the contest; can I still enter and compete?  
**A:** Yes, we are not barring artist with similar art styles, we are just promoting that we accept all styles of art but we do ask that you put the characters in different poses.
- **Q:** Can we Redesign the METRO Mascots? And put them in different Outfits?  
**A:** this answer will be a tiny bit complicated and in sections: but it's a yes and no answer:

\*Yes you can, but only certain types of different outfits (due to this year is the the mascots will again have more than 1 outfit at the convention (They will have a Slumber party version and a Masquerade version on top of their default Outfits))

\*We will allow creative Masquerade and Slumber party versions to be submitted as we have not finalized the Slumber Party or Masquerade versions of the mascots as of yet. (we will allow the possibility of alternate masquerade or Slumber party outfit fanart to Win top prize if you wow the judges enough)

\*But Please DO NOT redesign the default Mascot outfits!

### **A Note on Judging and Voting:**

All art submitted will be judged on overall composition, character personality of each mascot drawn, the flow of their image lines, colors and or the absent of colors, and even character art equality (If you create one mascot at a substantially high level compared to the rest of your entry, that will negatively impact your score. Example: one mascot looks amazing and the others look poorly drawn in relation to your own submission, will result in lower scores from judges.)

All the judges' final results for each image will be compiled together for group averaging and actual placement of each artist.

**Concerning the Fan Favorite Award:** the METROCON community will be the sole judge for this category. None of the judges or Cosplay Director will have any say on the winner of this award. The award will be based on public voting in the METROCON community on social media. This is the only award than can double up on a contestant. For example: 1<sup>st</sup> place cannot win 1<sup>st</sup> and 3<sup>rd</sup> place. But 1<sup>st</sup> place can win first and Fan Favorite.

**HARASSMENT** of ANY kind will **NOT BE TOLERATED!** Nasty back handed comments, rudeness to the Cosplay staff, and harassing judges or winning entries will result in disqualification or even convention banning.
